Program Goals	Assessment Measures	Results	Actions Taken
---------------	---------------------	---------	---------------

- Curriculum map has been done using the revised goals and course student learning outcomes

3. Findings & Actions taken for goal #3:

- Program Goals were reviewed, revised, and realigned to match the needs of the communities of interest
- Course objectives were reviewed, revised and re-leveled using Bloom's taxonomy
- An example would be the program goal "Evaluate core legal and ethical knowledge" being introduced in a 100 level course but not carried through other required courses until the Capstone. Conversations have occurred with the various General Education departments to determine that the correct General Education classes have been selected as required vs. elective; ongoing discussions are needed

(02/10/2017)

Evaluate core legal and ethical knowledge - Evaluate core legal and ethical knowledge
Goal Status: Active
Start Date: 09/01/2015

Standardized Testing - Outbound Exam for Peregrine Category Legal Environment of Business
Target for Success: UNOH will achieve at or above the aggregated average

Reporting Period: 2015 - 2016 Quarter 4 Spring

Result Type: Target Not Met

UNOH score - 45.07%

Peregrine score - 55.33%

(02/10/2017)

Does this Finding report on baseline data?: No

Analysis of Findings: Analysis of Findings: Students did not achieve the targeted 55.33% Review of curriculum map to identify any gaps in teaching. Monitor faculty credentials for proper assignment to course
