

SPECIALIZED STUDIES

A freshman matriculating into the program will meet with an academic advisor to select two areas of study from any of the approved program offerings at the University and must meet the graduation requirements for an associate degree.

or

A student transferring into the program with an associate degree from a regionally accredited college or university will use that concentration for the lower level requirements and will elect one of the options from the upper level requirements at the University of Northwestern Ohio.

MISSION STATEMENT:

To meet the individual needs of students, the University has developed a degree program that allows them to design majors that cross disciplines.
