

BACCALAUREATE DEGREE

HEALTH CARE ADMINISTRATION

This is a 2+2 degree. University of Northwestern Ohio students in the Medical Assisting or Medical Office Management associate degree will transfer into the degree completion program and complete their junior and senior years. The sequence of major offerings starts fall quarter.

In addition, students from other regionally accredited institutions may transfer associate degrees in health-related areas into the 2+2 program. Students who transfer into the baccalaureate degree may have differing requirements to complete, based upon the general education and related courses the student has already taken.

MISSION STATEMENT:

Through traditional and nontraditional delivery methods, students prepare to work across the health care continuum by acquiring the management knowledge and skills needed in this dynamic industry.
