

MEAL PLANS

The University of Northwestern Ohio offers three types of plans for all enrolled students. Meal plans can be used at the UNOH Food Court, Pit Stop, Racers Café, or Lock Sixteen Steakhouse. There are one, two, and three-meal per day options. Each meal swipe must be used by the end of the quarter for Colleges of Business, Health Professions, and Occupational Professions students. For snacks or extra meals, Racer Bucks can be added to any Student ID Card or Meal Plan. One Racer Buck is equivalent to \$1.00.

Racer Bucks can be added with cash, check, or credit card at any of the Food Service locations or by calling the Food Court at (419) 998-3129.

For information on how to purchase UNOH Meal Plans, please contact the Cashier's Office at (419) 998-3156.
