Planning On Attending Battle At The Beach? Here’s Some Vital Information!
The inaugural event, starting on February 18th, will be quite the sight to behold. To make things a little easier, here’s some important information for anyone wanting to attend.

Win Free Tickets!
That’s right, you read correctly. UNOH will be giving out 20 tickets to the event in five sets of 4 tickets. Want to win? Here’s how:
1.) Be a member of the UNOH Alumni Association. You can register using the form on page 9 if you are not already a member.
2.) Enter on our Facebook page. Head to our Facebook page (http://facebook.com/UNOHAlumni), “like” the page, and post a comment on our page saying “I want to win the Battle at the Beach tickets because…” and explain why you want to win the tickets. It’s that easy!

Special Offers on Hotels
Many hotels around the Daytona area will be offering special rates for racers & fans for the Battle at the Beach event. There are over 30 hotels around the area that have agreed to provide special discounted rates for this event. You can find the full list of hotels including prices and contact info at: http://www.unoh.edu/files/alumni/beach.pdf

Charity Golf Outing
Following the Battle at the Beach, there will be a charity golf outing that will benefit multiple charities. Money from the outing will benefit the NASCAR Foundation, Children’s Charities, and the UNOH Scholarship Fund. There are a variety of donation options to participate in the outing. There are also a limited number of sponsorship options available. You can find the full details of the outing and reply cards on Pages 6 and 7 of this newsletter respectively.

UNOH Gears Up For 2013 Battle At The Beach
In 2012, Daytona International Speedway president, Joel Shitwood III, announced that the University of Northwestern Ohio would be sponsoring the UNOH Battle at the Beach in February of 2013. This event will immediately precede the Daytona 500.

Normally, the Daytona International Speedway would close down for the Monday through Wednesday before the Daytona 500. This year, the Monday and Tuesday preceding the Daytona 500 will be filled with events - the UNOH Battle at the Beach. This event will be on a short track carved from the backstretch area fronting the Lund Grandstands. Daytona will create a defined 0.4 mile, flat oval, using the newly paved racetrack and skid pad surfaces. Removable concrete barriers will be used to identify the short-track course.

The lineup will include NASCAR’s K&N Pro Series, Whelen Modified Tours, and Whelen All-American Series. All of these series are stepping stones to NASCAR’s Nationwide and Sprint Cup Series. The future Daytona 500 winners will finally get a chance to run their short-track races under the lights at the Daytona International Speedway.

**UNOH Off-Road Club Published**

Several current students who participate in the University of Northwestern Ohio’s Off-Road Club were published in the January 2013 issue of Off-Road Adventures. In this issue, Off-Road Club members gave some basic tips for safety and procedure while winching. Among the students in this issue are Kyle Harkey, Josh Eggert, Sam Babian, Cody Moore, Rob Jicha, Mike Jascott, Mike Batohder, Kevin Rapp, Billy Frilling, Jared Sasso-Kane, and Eric Meyer in addition to Faculty Advisor Kel Dennison. In the article, the club members lay out a step-by-step guide to winching, while making safety a priority. Winches, while useful for various forms of recovery, are potentially dangerous tools. There are several small steps one can take to avoid injury while winching, and the UNOH Off-Road Club makes sure to point out these steps to ensure none of these small mistakes happen to the readers of Off-Road Adventures. This is not the first time the UNOH Off-Road Club has been published in this magazine. They were published in the February 2012 issue where Off-Road Adventures installed a Smittybilt X20 winch and Odyssey battery into one of their club vehicles. You can find out more about the UNOH Off-Road Club by visiting their Facebook page at http://ow.ly/gJU4U. **Alumnus Spotlight**

Alumni enjoying a moment in the limelight

**Brent Horner**

![Brent Horner](image_url)

Departing from the usual Alumnus Spotlight, we take a look into the accomplishments of Brent Horner, current student and future alumni of the Automotive High Performance Associate’s degree program.

Brent Horner, of Lima, Ohio, was awarded the Technician of the Future award at a ceremony on November 15, 2012 sponsored by Mitchell 1 and the National Institute for Automotive Service Excellence (ASE). Along with the award, Horner was given $500 cash as well as a $1,500 gift certificate from Mitchell 1 to be used for Mitchell 1 products and services. In order to win this award, the winner must be ASE-Certified, must be a registered student, be under 30 years old, and have the highest cumulative test scores on the A4, A5, A6, and A8 tests.

Before attending the University of Northwestern Ohio, Horner worked at Pohanka Honda of Salisbury, Md. as an automotive technician student intern. He achieved this by going through the Automotive Youth Educational Systems (AYES) program in high school. He also achieved several accomplishments though his high school career. During his junior year, Horner was the winner of the Maryland Ford/AAA Student Auto Skills Competition, a competitor in the Ford/AAA Student Auto Skills National Competition and placed 10th in the SkillsUSA Maryland competition. The following year, he placed second in the Skills USA Maryland competition and placed sixth in the Greater New York Auto Dealers Association National Automotive Technology Competition. In addition, Horner received an automotive scholarship from the Association for Career and Technical Education as well as the Bob Hall Technical Scholarship at UNOH for the highest entry exam score.

Brent Horner is a prime example of knowing one’s life goals and taking the steps needed to realize it. Horner decided he wanted to become an automotive technician as a child. He made the automotive industry his life and is now reaping the benefits.
