Joseph Pozda - Kyle Ketz '22 Memorial Scholarship Recipient

In August of 2023, Kyle tragically lost his life in a car accident. Family, friends and UNOH classmates have come together to keep his memory alive.

Each month, we are featuring one of the scholarship recipients.

Joseph Pozda is from Grafton, Ohio and just completed his first year in Automotive/High Performance Technology. He says the day he attended the Open House at UNOH changed his life. He was only a sophomore but decided he was going to work hard to graduate high school early so he could start doing what he loves as soon as possible. He graduated in the top 5% of his class.

Joseph says, "I am honored I was selected as a recipient of the Kyle Ketz Memorial Scholarship award and to be a part of his legacy. I can relate to Kyle's dedication to following his dream and doing what he loved. My passion for machines came from time spent with my grandfather when I was growing up. He loved to work on cars and build things. I loved it too and decided I wanted to be a mechanic."

Joseph hopes to work as a mechanic for Monster Jam. Eventually, he wants to follow in his great-grandfather's footsteps and open a mechanic business.
