Owen Bass - Kyle Ketz '22 Memorial Scholarship Recipient

In August of 2023, Kyle tragically lost his life in a car accident. Family, friends and UNOH classmates have come together to keep his memory alive.

Each month, we are featuring one of the scholarship recipients.

Owen Bass from Whitehall, MI is pursuing his degree in High Performance Technology. In high school, Owen excelled on his Robotics Team as the head driver and builder his Junior and Senior years. He was also a 4-year Scholar Athlete as part of the Varsity Tennis Team, being named Captain his senior year.

Owen has loved cars his entire life. His parents claim his first word was "car!" Grandpa Bass introduced him to NASCAR and he would sit on his lap for hours watching the race. He imagined what it would be like to be there working on the cars or even driving someday. That is why he chose UNOH; to turn his dreams into reality.

"School has been going very well!" Bass tells us. "I've made some pretty good friends and am enjoying my classes. Thank you for supporting me on this journey."
