Jeremias Santiago - Kyle Ketz '22 Memorial Scholarship Recipient

In August of 2023, Kyle tragically lost his life in a car accident. Family, friends and UNOH classmates have come together to keep his memory alive.

Each month, we are featuring one of the scholarship recipients.

Jeremias is from New Jersey and just started his first year at UNOH studying High Performance Technology. He chose to move almost 600 miles away after his visit to campus left him in awe of all the opportunities he would have to learn both in and beyond the classroom. This scholarship has special meaning to him as his baby sister needed open heart surgery shortly after she was born. The medical expenses have put a big financial strain on the family.

Jeremias remarked, "In learning about Kyle, I realized we had the same passion and admiration for the automotive field. I'll use the valuable knowledge, skills and expertise I will gain during my time at UNOH to contribute to the Automotive community after graduation."

Celebrate your Racer pride by making a gift and showing current students your support!
