ALUMNI INSPIRE STUDENTS AT FUEL THE FUTURE ENTREPRENEURSHIP EVENT

UNOH proudly hosted the inaugural Fuel the Future: UNOH Alumni Entrepreneurship Awards + Student Pitch Competition on March 6th. The event brought together alumni, students, faculty, staff and community members for a day focused on innovation, mentorship, and entrepreneurial leadership.

Thank you to our inaugural Alumni Awardees, **Lenn Isaac, Brian Littlefield, Philip Rickard, Eddie Saunders Jr., and Chase Vance** for sharing insights about launching and growing successful businesses. Special thanks to Brian for bringing samples of his products for our guests to enjoy.

The event also featured a community entrepreneur panel and student business pitch competition.

Five student teams presented innovative concepts in motorsports consulting, podcast development, safety initiatives, agricultural health maintenance, and skin care. The judges provided students with valuable feedback and encouragement.

Congratulations to the Life in Racer's Lane Podcast for taking home the top prize!

A recording of the panel presentations is available along with an article written by a high school intern who attended the event.

NOW HIRING: ADMISSIONS REPRESENTATIVE (CENTRAL/NORTHERN MICHIGAN)

UNOH is seeking an Admissions Representative to support student recruitment efforts in Central and Northern Michigan—and we would love to see a UNOH alum step into this role!
