RAIN COULDN'T STOP THE 2026 ALUMNI NIGHT CELEBRATION

Mother Nature may have had other plans for racing, but she couldn't dampen the spirit of our annual **UNOH Alumni Night**. We quickly shifted gears and welcomed alumni and their families to **Racer Station** for an evening of food, games, laughter, and great conversation.

Many brave folks still made the trip to campus to reconnect with classmates, meet fellow Racers, and spend time with the UNOH community. Guests enjoyed snacks, and refreshments while challenging one another to pool, video games, and other activities throughout Racer Station. Most importantly, they had the opportunity to catch up, share stories, and create new memories together.

Thank you to everyone who joined us and to our volunteers who helped make the last-minute pivot such a success. We look forward to seeing everyone back at Limaland next year!

ALUMNI INSPIRE THE NEXT GENERATION OF RACERS

As a UNOH graduate, you know firsthand the value of a UNOH education. Now you have the opportunity to give back by helping prepare the next generation of students for successful careers.

If you're looking to hire talented UNOH graduates, consider returning to campus for an employer presentation. It's a great opportunity to connect with students, build your company's brand, and share insights from your industry.

Presentations can include:

- An introduction to your company and its culture
- Emerging industry trends and innovations
- Your personal career journey and advice for students
- Current internship and career opportunities
- Demonstrations of new equipment or technology

Students consistently tell us that hearing directly from alumni who have built successful careers is one of the most valuable parts of their educational experience. Your story, experience, and perspective can make a lasting impact while helping you identify your next great employee.

Whether you're interested in giving a presentation, participating in a career fair, serving on an advisory board, or exploring other ways to engage with UNOH, we'd love to connect with you.
