Nominations are open for the 2027 UNOH Alumni Entrepreneurship Awards, part of the Fuel the Future: Alumni Entrepreneurship Awards + Student Pitch Competition taking place Friday, March 5.

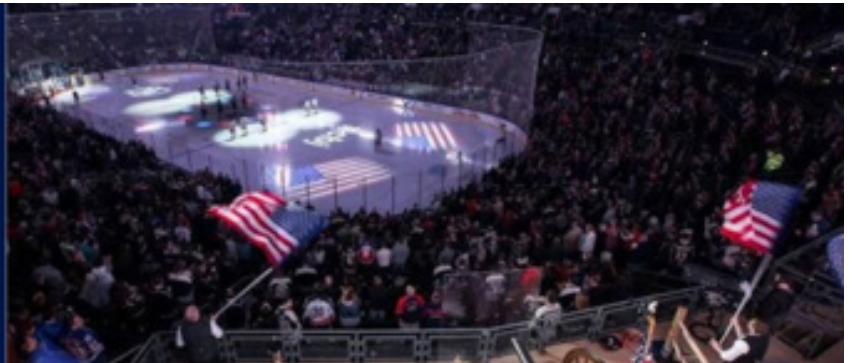

The Alumni Entrepreneurship Awards celebrate Racer alumni who have put their education, experience, creativity, and determination to work building businesses and making an impact in their industries and communities.

Whether you've launched a small business, built a thriving company, turned a side hustle into a full-time career, or found an innovative way to meet a need in your industry, we want to recognize your entrepreneurial spirit.

ALUMNUS SPOTLIGHT: KYLE TOTMAN '22

From the UNOH classroom to the race shop, Kyle Totman is putting his High Performance Motorsports education into action as a crew chief with Maples Motorsports.

For Kyle, leadership means being hands on. He doesn't just tell his crew how to get the job done — he gets right in there, shows them how it's done and shares the knowledge he's gained along the way.

Because being a Real Racer is about more than racing. It's about learning, leading and helping the next person get better.

100 WINS — WELCOME TO THE CENTURY CLUB!

Congratulations to UNOH alumnus Nicholas Ronnebaum '19, who recently earned his 100th career Sunoco IMCA Hobby Stock feature victory, becoming just the 19th driver in the division's history to reach the milestone!

Nicholas' passion for racing started early, following in the footsteps of his father and uncle. That journey brought him to UNOH where he continued building his motorsports experience and made seven starts behind the wheel of a UNOH Stock Car.

Today, Nicholas is building a career around the sport he loves.

He owns Ronnebaum Welding and Fab and has begun building his own Dirt Digger Chassis, all while continuing to rack up wins on the track.

The investment builds upon UNOH's growing partnership with Honda, which also provides students with co-ops, plant tours, industry engagement, and pathways to future careers.
