

CDL Course Descriptions

CDL101 Commercial Driver License I (6)

In this course students will learn what is required to get a commercial driver's license (CDL). Students will receive instruction from UNOH instructors, who are experienced to teach a commercial driver course, through class time and driving time in order to help prepare them for the CDL test and will learn to be proficient at pre-trip and yard skills.

Prerequisites: Must be able to pass Department of Transportation (DOT) Physical and Drug Test. UN110 First-Year Experience and a minimum of two sessions must be completed to familiarize students with UNOH policies and procedures. A major must be declared, and the student must be full-time as part of a designated major. (These requirements are due to the institution's exemption status as a state-licensed school under exemption 4508.7, sections 4508.1 to 4508.6.)

CDL102 Commercial Driver License II (6)

In this course students will continue learning what is required to get a commercial driver's license (CDL). Students will receive instruction from UNOH instructors, who are experienced to teach a commercial driver course, through class time and driving time in order to help prepare them for the CDL state test. The driving portion will consist of driving safety, starting, stopping, running, shifting, braking, parking, docking, hook-up and unhook, emergency equipment and driving test practice. Upon successful completion of CDLII and off-site state testing, students will be able to purchase a CDL license.

Prerequisites: CDL101, CDL Permit License and DOT Physical.
