BACHELOR OF SCIENCE DEGREE

SPORT MARKETING AND MANAGEMENT

The Sport Marketing and Management program emphasizes the management, business, and leadership skills necessary to launch or enhance the sports business career. Reflected in the curriculum are the present issues in today’s global sports industry and how integrating what is learned in the classroom can be immediately applicable to the workplace. The sports industry is competitive; and, for students to succeed, it is necessary to network and build relationships in the industry while pursuing undergraduate education. This program seeks to maximize student contact with industry professionals and enhance understanding of the business of sport through academic preparation. The sequence of major offerings starts fall quarter.

MISSION STATEMENT:
The Sport Marketing and Management program provides students an opportunity to combine marketing and management fundamentals with the sport and recreation industry, while preparing students to become well-trained business professionals.
