CORDS & STOLES

Students earning academic honors will wear a cord to designate the level of honors.
Cum Laude – Golden Cord—Single
Magna Cum Laude – Golden Cord—Double
Summa Cum Laude – Golden Stole

A red, white and blue cord signifies a student who is an active member of the military or who is a veteran of military service.

A stole representing the colors of their nation's flag will be worn by international students.

FACULTY ACADEMIC ATTIRE

In light of our nation's English heritage, academic attire has been in use in the United States since Colonial times. To establish a standard of uniformity in regards to the practice, an intercollegiate commission was formed to prepare a code for caps, gowns, and hoods that has since been adopted by all academic institutions. Originally round, the shape of the cap is now the familiar mortar-board square—a shape which, according to ballad folklore, resembles a scholar's book. The black mortar-board cap is worn for degrees. The flowing gown has become symbolic of democracy of scholarship for it covers any dress that might indicate rank or social status. The hood alone clearly shows the level of the degree, the major in which it was given, and the institution which awarded it.

HONORS

The names of graduates and honors listed in this program are accurate at the time of printing. Eligibility for graduation and honors for students whose program requirements are not completely satisfied will be officially determined when grades are finalized and will be noted on the diploma and transcript.

HONORS
+ denotes Cum Laude (cumulative GPA 3.50 – 3.74)
++ denotes Magna Cum Laude (cumulative GPA 3.75 – 3.89)
+++ denotes Summa Cum Laude (cumulative GPA 3.90 – 4.00)

Note: Graduate Degrees and Diplomas are not eligible for Honors.

PHOTOGRAPHY & VIDEOGRAPHY

A professional photographer is taking candid color pictures of individual candidates at today's graduation ceremonies. Proofs of these photographs will be posted online within two weeks of the ceremony at www.unoh.edu/gradpics so that prints may be purchased. If you wish to have a posed photograph of your graduate in their cap and gown, those will occur between 11:30 a.m.-12:30 p.m. in the Exhibit Hall.

Members of the audience are requested to remain in their seats during the commencement exercises. Today's commencement ceremony is being streamed live on YouTube. Students and family members can view the live streamed video at www.unoh.edu/graduation or after the event at www.youtube.com/@unoh_edu.

The graduates' names appear in the program and are announced at Commencement as they are recorded in the University's data system. This program includes graduates and anticipated graduates from September 1, 2025 through August 31, 2026. Changes to a student's program made after the printing date which affect graduation status may cause the student to be omitted. Every effort was made to include all students identified as eligible for graduation up to the time the program was printed. This program was prepared on May 27, 2026.
