

June 10, 2020

The University of Northwestern Ohio has been monitoring the continuing public health crisis related to the coronavirus pandemic. Per guidelines from the Ohio Department of Health and Ohio Governor's Office, it is advised that all Ohio universities cancel or postpone any large gatherings or events until further notice.

As such, the on-campus orientation scheduled for July 8th, 9th, and 10th is being transitioned into a **virtual Orientation starting July 8th**. We will be mailing you more information regarding this virtual event as it gets closer. If you have already registered for the Orientation at www.unoh.edu/orientation or mailed the form in for the event, you will be receiving the mailing that will include all the documents you need to follow along in the virtual orientation. If you have not yet registered, please do so as soon as possible so you have all of the documents needed for the virtual Orientation starting July 8th.

Thank you for your understanding during this difficult time and please feel free to contact our New Student Services Department at 419-998-3121 or by email at newstudentservices@unoh.edu with any questions that you may have.

Sincerely,
