

The restrictions related to the COVID-19 pandemic in our nation are ongoing and we again ask for your patience and understanding as we continue to make decisions about classes with your health and safety remaining our top priority.

May Session will begin as scheduled on May 11, 2020. **Courses will continue to be delivered remotely in a web-enhanced format** as recommended by local, state, and federal agencies. Students will be assigned general education courses required as part of their program.

Students who took a hiatus in March Session will have that hiatus extended into the May Session. Those on a hiatus who have general education classes left in their program, can ask to be reinstated and scheduled for the May Session if they choose to do so. Please email advisor@unoh.edu before Friday, May 8, 2020 to begin this process.

If students have completed all of their general education requirements, they will be scheduled for their next technical class to start on June 29, 2020. If this date should change, we will communicate it as soon as possible.

Please check your UNOH email and portal daily as schedules are updated for instructions and guidance on your courses. Details on the course and any required course materials can be found on the MyUNOH portal.

Course content will be available to preview beginning on May 8, 2020. Interaction with your instructor will start on May 11th.

Barnes & Noble @ UNOH will be able to ship your textbooks to you, with FREE shipping, for your May Session classes. Visit their website at <http://unoh.bncollege.com> or use the "Purchase Books" link located under the Student Resources tab on your MyUNOH. Please make arrangements to order your books as soon as possible to allow adequate time for shipping. If Ebooks are ordered, they will be delivered electronically. An Email will be sent to the email address that is used to place the order. Please call 419-998-3130 or email bookstore@unoh.edu with any questions regarding your textbooks.

Students who rented textbooks from the Barnes & Noble @ UNOH for March Session still need to return their textbooks. The Bookstore will be sending out reminder emails to the email address captured when the student rented the textbooks with instructions on how to print off a FREE UPS shipping label (<https://unoh.bncollege.com/shop/unoh/page/rental-book-return>). Barnes & Noble @ UNOH has made adjustment to our timeline to allow for shipping time.
